THINGS MY MOMMA TAUGHT ME

My precious mother taught me so many things but there are three that keeps me focus on ministry:

1) **Compassion** - This is a selfless attitude that what you may want for others is not as important to what they need from you. Jesus desired to teach and do miracles yet stopped his ministry to minister to the 5000.

2) **Consistency** - This is one's ability to remain the same through many changes. I have faced death, difficulties, drama, and differences that have brought forth maturity and trust in God to enhance my life.

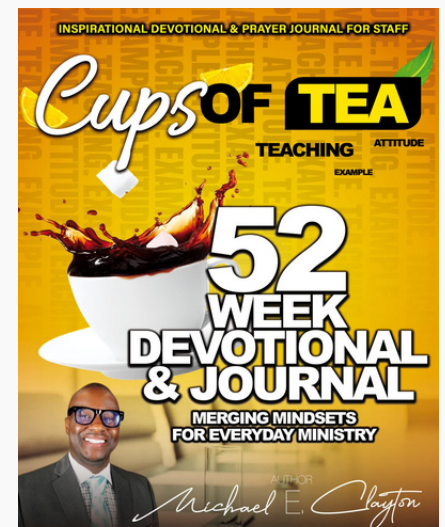

3) **Courage** - This is an ability to crouch down and weather the storms of life with a hope that all things will work out in your favor.

This combination of attributes has helped build character among the saints. It is my heart to make every member feel loved and cared for in a way they have never experienced.

CHALLENGE TO YOU!

Accept what God has brought unto you and it will showcase itself in every area of your life. The word is everything to me. I can't express enough for you to bring your bible so you can learn, love, live, and lead others to Christ as you are being led by Him. How many people can you bring into the fold? Well, as many as you can imagine. Many times, we are defeated in our reach for God simply because we don't think to reach. With a steady diet of an engrafted word, I can guarantee that you can win your entire family!

It is my heart that you LAST. Many people are impressed with the opening attractions of the ministry when it starts. Yet, over time, when trouble comes, they falter and drift away. I command you to endure to the end and see how God will prepare you a crown of righteousness and assure you finish strong. This is a season of change for you, and nobody believes in you like I do. Let's agree that you can grow in your compassion, consistency and develop your courage to remain unspotted from the world!

GREATER WORKS CHURCH - MALVERN

Groundbreaking Movement

HUMBLE BEGINNINGS

New Bible Disciples

It's not for us to think that persons that join the church are members but moreso disciples. Disciples are persons who desire to learn in three areas:

- 1) Their Redemption
- 2) Their Responsibility
- 3) Their Reach for Others

Who desires someone on their team that can't produce good works? We are a church that desires to strengthen every "weak link" in their lives. Jesus said, "Come and learn of me...". Bring your bibles to Learn!

GROWING IN GRACE TOGETHER

Being in the same space and in the same church doesn't automatically mean people come together! The test of our Malvern Campus is that many of the people know each other through the years and must be able to give each other the grace "To Express a Difference". Faith is requiring people to change who you have seen the SAME! The Word of God is the only thing that can change us, conform us to the image of Christ, and care to assist others as they change! I ask that you all make a promise that you will allow others to grow in grace! Read ACTS 9 when Saul becomes Paul.... I CAN CHANGE.

FEB is HEART HEALTH

Beloved, I wish above all things that you prosper and be in good health, even as your soul prospers. 3 John. It is our heart that every member is not only Holy but Healthy. We are asking all to get their blood pressure checked when they come into the House of Prayer. Many strokes are taking place among our people, and we need the Grace of God to acknowledge our humanness. Know your numbers?

MONEY & MINISTRY

WHAT IT TAKES TO MAINTAIN MINISTRY?

Your Support Matters?

MONTHLY BUDGET?

The rental lease monthly is \$1,800. The energy bill for January was \$750.00. Our main musician is \$200 Weekly/ \$800 Monthly. Currently, no administrative cost, yet administrative helps are needed at an average of \$500 monthly. We currently are seeking Wi-Fi to set up our security system and media. This is roughly a monthly average of \$6,350 without any necessities to manage resources and weekly needs to operate. In time, we will need to do roughly \$1500 a Sunday. Are you ready to pledge your allegiance to our success?

MALVERN LAUNCH 2024

Without a Vision, the people perish. Hosea 4:6. We are currently securing a piece of property with a hospitality house on 5.5 Acres at the intersection of Malvern and Perla. It is our heart to build a church within the people and then build a church for the people. Are you ready for the journey? Every time you give to MALVERN LAUNCH, you are sowing into our NEW CAMPUS VISION! May we move in it by 2026, in Jesus Name, AMEN
