SATURDAY ESCAPADE

BY MIRACLE GRIFFIN

Each week during the month of May, the saints of the Malvern Campus meet to have a time of discipleship through the question-and-answer sequence of Apologetics. Minister Combs created many discussions while the saints ate much food and drank much coffee and orange juice. Lady Odessia Bedford, general manager of Andy's Restaurants of Malvern, gave charitably. Mother McKinney was the coffee bringer. Brother Marshall, Brother Jordan, Sister Kymberlee, Sister Miracle, Sister April Crews, Brother Byron, Sister Keisha....joined us for these wonderful discussions before heading to the church for "An Hour of Prayer"!

Our first Annual Mother's Day was a great success. The saints responded by bringing their mothers, their friends, and their daughters who have bared children as well. Sister Courtney Smith, Sister Jaime Combs, Sister Brooklin Banks, Sister Monica Dickens, Sister Wanda Wise, Sister Amanda Hughes, Sister Odessia Bedford, Sister April Clegg, Sister Lisa Jones, The Burks Sisters, and many friends.

The ladies of this campus came together to honor their spiritual mother, First Lady Constance Clayton. They purchased a bag of goodies for her to honor her in her absence. We acknowledge Lady Alicia Pollen in her absence for it was a hard day for many who had recently lost their mothers. Our very own Overseer took a moment in the service to honor his late mother, Madam Vivian Ann Clayton. This day was filled with sadness and gladness which both provide the great balance of life. We desire that on this day, next year, that we double the number of mothers in attendance!

Each month the servant workers of the ministry gather together with Overseer Clayton for a time of enrichment and heart. Mondays at 6PM, we come together to give a platform to air out our issues, concerns, inconsistencies, and efforts to be a better core of servants. We have accepted that having a plan and a monthly agenda is the proper way to win souls and more importantly, work together in love and in grace. Working does not include warring! Many are battling their inner issues of life; yet are required to serve as Jesus did.

FAMILY MOMENTS

The ministry has produced two areas of communications: Telegram and GROUPME for the members to share the events and achievements of their family. Technology affords an opportunity for us to communicate in a timely manner. We are able to share our bereavement moments. We are able to encourage the faint at heart. We are able to question the absence of our fellow brothers and sisters. We are able to care, share, and make all aware of all happenings at the City we call Greater!

01

OUR SHEPHERD

Is teaching with Clarity, Construct, and Christ-mindedness. His methods are comical, correcting, and full of courage to live unto God in a righteous manner.

02

THE SHEEP

The sheep are going through their challenges of life with a greater perspective on how Christ would handle their problems. The development of the inner man is their focus and becoming better will aid them in treating their lives better! This is their season of reassessment of what they have held as truth.

PASTOR'S PAGE

It's a privilege to be called to pastor the saints of the Malvern Campus. Many of them know me personally but have never known me in the spirit. God has matured me in a way that challenges all to grow closer to God and love their fellow man. I believe the sky is the limit for this campus:

S - Their Service to the Community

K - Kingdom Advancement

Y - Yielding to Christ for Increase Fruit

The root of our growth will stem from the togetherness we share in the word. Before there is ever advancement in anything, there must first be agreement! The word must be rightly divided and then a confirmation, in the spirit, between the sharer and the hearer. God giveth seeds to the sower and yet there must be broken ground {hearts} that are yielded to receive it for growth.

This group of believers is coming to class on purpose with a mind to live out what they are learning. May God continue to add FIRE to it and purify our motives, ministry, and maturity in Him. This is our season for inner healing.

STEWARDSHIP

Membership Giving each Month

Each member is asked to do their best in being honorable to God. With a handful of members, our ministry goal is to, first, trust God as our source and believe that all we have need of He will supply! Faith is stirred when we know the truth of how God works in our lives and use his system of stewardship to see us properly rewarded in this dimension called life. We believe that whatever God is doing in this season, He will not do it without us! Promotions, Rebates, Real Estate, stocks, Checks in the Mail, and computers that get "Amnesia of our Debts and Collections"! We believe in the favor of God as we do what He has commanded.

Partnerships in Preparing for the Future

We are encouraging every member to REACH for a network of friends and connections for the advancement of the ministry. Many times, we are closed-minded when it comes to church! We share with others to raise funds for things such as girl-scout cookies, school projects, and GOFUNDME initiatives that create opportunities for an established purpose!! Well, the Christ Movement is an established purpose. We promote the missions, the teachings, and the love of Christ through the service of our local church. May God lead us all in our REACH for helps.

Cultivating through Connections & Campaigning

Stewardship is not just the idea of gaining more but managing the minds and the monies you have on hand. We have a few saints that are using their connections to aid the necessity of the ministry. God is encouraging us to cultivate all who have an open heart to use their influence, their resources, and their advantage to aid us in our missions. THIS NEWSLETTER is design to spread the good news of Greater Works and campaign for others to GIVE to it so that our stance can be as strong as ever in the community we desire to serve!

CARING FOR THE BEREAVED

Over the last few weeks, there has been many who has died among our church family of whom we are connected to. Our Senior Pastor lost his aunt of the Malvern community, Lynette Clayton. A fellow sister of our bible class who visited many days, Sister Janice Young, passed away. She was friends with many congregants, and we hated to see her gone so soon

Classmate of '99, Taronica Blackmon, passed away, as well. Related to many congregants and a proud native of Malvern. She was only 41 years old. Let's continue to pray for them all as they cherish the memories of their loved ones..

AUGUST YOUNG ADULT CONFERENCE

Across campuses, we are developing next-generational leaders among our young adults. We are challenging them to enhance their life and their legacy in a diverse way. The diversity of life is that we can grow in faith and finances. We can grow in physical stewardship and in spiritual stewardship. We are asking all, ages 18 - 50 to register for this amazing conference. We will tailor the conference for the registered. Looking forward to enriching and enhancing their network so that men may see their good works and glorify their Father in heaven.
